

**ENCE ENERGÍA Y CELULOSA, S.A.** (the “**Company**”), in accordance with the provisions of the securities market legislation, communicates the following

### **INSIDE INFORMATION**

The National Court in respective Resolutions notified today has estimated the contentious-administrative appeals filed, respectively, by the City Council of Pontevedra and Green Peace Spain, against the resolution of January 20, 2016, by which the Ministry agreed the extension of the concession on land in the maritime-terrestrial public domain where the Pontevedra biofactory is located.

Both judgments annul the recurred resolution and declare that there is no place for the extension of the concession.

Against the judgments notified, the Company will present, within the legal term for this, an appeal before the Supreme Court.

The company will convene a conference call with investors at the beginning of next week in order to answer any questions that may arise in relation to the information published.
